

Sheriff-Undersheriff Served with Summons Along with Bd. of Commissioners

All members of the Crawford County Board of Commissioners, Crawford County Sheriff L. Curtis Haas, and Crawford County Undersheriff Joseph White were served at 9:00 a.m., February 12, 1979, with a complaint and summons which names these parties as defendants in a civil action filed on December 1, 1978, in the Eastern District of the U.S. District Court.

The suit, which deals with alleged physical plant deficiencies and alleged violations of prisoners' rights in the Crawford County jail, appears to parallel the suit brought against Saginaw County and its Sheriff. That case led to the Judge Harvey Rulings dealing with prisoner rights, and resulted in massive and costly renovations to the Saginaw County facility.

The suit was filed against Crawford County by four former inmates of the Crawford County jail. The four plaintiffs are: Jack Edgar Rice, Jr., Richard Wakeley, Mark Faulkner, and Cecil W. Brown. Attorneys for the plaintiffs are John G. Hunter, and Terrence H. Bloomquist of the Grayling firm of Benson and Bloomquist.

The Crawford County Board of Commissioners has turned the case over to County Prosecutor Thomas E. Kent.

Five Year Prison Term Imposed

A statewide roundup of some 65 persons held last July resulted in the apprehension of George W. Erickson, 45, of Grayling, who was charged with possession of unregistered firearms and transferring a firearm without paying a tax, both felonies. Erickson pleaded guilty to being in possession of 37.5 pounds of plastics explosives, fuse igniters and plastic caps. He pleaded guilty to the first offense and the second was dismissed.

He was ordered to report to authorities February 13th to begin a five-year federal prison sentence for possession of unregistered firearms.

Erickson was arrested last July in connection with a stolen goods fencing operation. One report indicated the explosives were taken from Camp Grayling. Federal Judge James Harvey imposed the prison sentence this past Tuesday.

Travelogue Coming

Next In Series To Be The Great Lakes

On Thursday evening, February 22, the Grayling Community School Program will present the next exciting, true-life adventure of their 6th Annual Travel and Adventure Series. This next travelogue which will feature the American Great Lakes will be shown in the Joseph Stripe auditorium beginning at 7:30. Doors at the Grayling High School will open at 5:45 and tickets will be available at the door.

"The Lure Of The Great Lakes" is understandable to anyone who enjoys breathtaking scenery and variety. Volcanic activity and advancing glaciers fashioned the terrain which now cradles the five Great Lakes. The lakes attracted yesterday's Indians, trappers, miners, and empire builders. Today they are the playground of thousands of fun seekers as well as a major international seaway. With Mr. Robert Brouwer as your guide, you will visit through the use of breathtaking panoramic views, such interesting spots as Michigan's Fayette State Park, and the Sleeping Bear National Lakeshore. You'll visit pulsating international ports like Chicago and Toronto where ships of the world are an everyday sight. At Sault Ste. Marie you will experience the vitality of the famous "Locks" and observe the shipping industry up close.

For this presentation, Mr. Brouwer will make the use of three giant, ten-foot square screens and six projectors. The realism of these panoramic views coupled with dimensional stereo sound will make you feel as if you are right there. More information and tickets for this performance can be obtained by calling the Grayling Community School Office at 348-7641.

Latin Dance Program To Appear At Grayling

Pasqual Olivera will team with Angela Del Moral in a whirlwind dance tour of Latin Countries at Grayling's Joseph Stripe Auditorium on Monday, February 19 at 9:30 a.m. and 1:00 p.m., as part of the Detroit Institute of Arts Detroit Youth Theatre "Show On The Road" program. The two assemblies will be presented to students of grades two through six of the Crawford AuSable School District.

Entitled "The Dance Of The Latin World," the program will explore the excitement and passion of Cuba, Puerto Rico, and Spain aided with spectacular costumes and spirited musical background.

Former lead dancer with the world-famous Jose Greco Ballet, Olivera is recognized as one of the finest Spanish dancers in America today. Audiences in Europe and Japan have given his performances standing ovations. In the U.S., television appearances with Johnny Carson, Lawrence Welk, and Mike Douglas—personal appearances at Caesar's Palace in Las Vegas with the Frank Sinatra Show as well as hundreds of solo performances in the country's finest theatres and concert halls testify to his versatility and style.

Angela Del Moral, new to the United States, is a former prima ballerina with Spain's National Ballet of Madrid.

This presentation is sponsored locally by The Grayling Community School Office. For further information, contact The Community School Office at 348-7641.

Pancake Supper February 27th

Open House

There will be an open house honoring Amy Gothro on her nineteenth birthday. Family members invite friends to stop at the AuSable Acres Senior Citizen Center on Saturday, Feb. 24, from 2:00 to 4:00 p.m. to help her celebrate.

Winter Sports Fete Off To Great Start

1979 Queen Sue Burr

Things got off to a flying start this past weekend at Hanson Hills Sports Park, focal point of this year's 54th Winter Festival, as throngs partook of (or just came out to enjoy and observe) a full schedule of weekend activities. Things got rolling last Thursday night at the Grayling Red Barn when a full house saw Miss Sue Burr crowned as this year's Winter Sports Queen. Sue, a Grayling High senior and daughter of Mr. and Mrs. Rich Burr of Grayling, reigned over this past weekend's schedule of events, all of which sets the stage for next weekend's "wrap-up" to conclude Grayling's granddaddy of Michigan Winter fests. Fawn Isenbauer and Karen Hazen were named first and second runnerup in the Queen competition, in which fourteen candidates competed.

While a mob of winter golfers banged away through deep snow in the Hanson Hills Snowshoe Open, the two-man team of Richard Filley and Mark Poll buzzed their way to victory in the Firewood Buzzing Contest. Hayrides were featured throughout the weekend for young and old. Disco dancing for teens and adults highlighted evening activities through the weekend.

An Adult Pentathlon and one for 3rd to 5th graders were also featured. These events featured skiing, paper airplane throwing, checkers, arm wrestling and pie eating. Down Hill Alpine ski races were won by the following: (ages 1-4), Joshua Wyss; (ages 5-9) John Zielinski; (ages 10-13), Karen Reynolds; (ages 14-17), Mark Qualls; (18 & over), Fran Lennert.

Aaron Ashton was the overall winner in the kid's Pentathlon while John Rolfe copped the adult event. Bert Fornell banged his way through the snow to take the lead in the Snowshoe Open which will continue this coming weekend.

Grayling Red Barn took 1st place in Snow sculpture competition, Grayling State Bank, copped 2nd & Krumrei Beverage, 3rd.

A variety of other activities are on tap designed to delight both young and old, this Saturday & Sunday, including the Klondike Canoe Race, set to start at 11 a.m. at Ray's Canoe Livery.

Warning

Range firing will be conducted by units of Michigan Air National Guard during the period 14-17 and 20-24 Feb 1979.

The Air to Ground Range which is located east of Guthrie Lake and north of County Road 612, will be in use during this period.

High performance fighter aircraft will be firing on this range.

This range will be closed during the above dates and all persons are warned to stay out of the range area.

Red Cross Aids Fire Victims

A fire that leveled the Ronetta and Michael Pindell residence on Chase Bridge Road last week left the family homeless except for their garage. Neighbors reported the fire at about 9:30 a.m. but volunteer firemen who responded were unable to do much with the blaze which had reached uncontrollable proportions before they arrived.

But the American Red Cross responded to the emergency. According to Harrison Goodhue, both indoor and outdoor clothing for all family members including three children who lost everything in the fire, was quickly provided.

The family is currently residing at the Holiday Inn here in Grayling.

Grayling High Gals Off To Washington D. C.

by Joe Schrader

From the beginning of the Washington Workshops over a decade ago, Congressional Seminar participation has enabled thousands of students to remain in contact with the workshops through a variety of activities - both meaningful and enjoyable.

That follow-up premise, based on information provided to encourage high school students to participate in an exciting educational program - prompted two Grayling High School Students to apply and then be accepted to attend a Congressional Workshops Seminar, a number of which are scheduled this year in Washington, D.C.

Howard Lehti, Project Sponsor and Government Instructor at Grayling High, recently announced that Carolyn Ayers & Sandra Schmooch, both students in his class, were selected to travel to our nation's capitol to see "first hand", what governmental activities are all about.

Based on information given to the students by Mr. Lehti, provided by the Washington Workshops Congressional Seminar, sponsoring agency, both Carolyn and Sandra applied. And both were accepted.

Admission to the seminar include the following just a few rather restricted minimum requirements and guidelines:

To guide a school, community organization, or student who is interested in filing formal application for Congressional Seminar attendance, the following selection criteria should be noted:

1. While schools are encouraged to select and sponsor students for seminar attendance, the Washington Workshops Foundation maintains a standing open admissions policy to permit qualified students, at their own direct initiative, to file application for seminar attendance.

2. The student is expected to possess credible academic standing, an interest in national issues and the American government, and high standards of personal quality and integrity.

3. This application must bear the endorsement of a teacher or counselor signifying the applicant's genuine interest in learning and a serious desire to participate in the unique educational format of the Congressional Seminar.

4. A student should have the ability to effectively relate the unique experiences of the Congressional Seminar upon returning home.

5. While good grades are always helpful to a student in gaining maximum value from seminar attendance, the Washington Workshops seeks to encourage a cross section of students to enroll, providing there is genuine interest in the seminar's content. A student's grade average—be it high or medium—is only one means of measuring the potential worth of the program to an individual student. Thus, the lack of a high grade average in itself should not discourage any student

from applying for seminar attendance.

Happy about being accepted to participate, Carolyn Ayers had this to say: "I hope to come back with a better understanding of what may or may not be possible in improving our governmental policies."

During each one-week Congressional Seminar, individual initiative is the rule. With no formal class assignments or reports expected, any line of

legitimate interest and debate is in order, and the Workshops staff maintains an objective and strictly nonpartisan contact that will never stifle reasoned and mature student inquiry. The Congressional Seminar, while fashioned by a competent and dedicated staff, still remains in the final analysis what the students make of it.

Carolyn will fly to Washington on February 18th with a return date a week later.

Sandra will go March 4th for the week-long seminar with the same basic ground rules employed, and both will stay at Marymount College, across the Potomac in Virginia during their respective stays in the capitol city.

Each will join some 125 U.S. students in their invaluable educational experience.

It just seemed to me that the activities outlined in the pro-

Rotary Club Fish Fry February 23.

The 6th Annual Grayling Rotary Club Fish Fry will be on the griddle Feb. 23, according to club President Ray Lange.

The famous Rotary Club meal features family style eating of some of the most delicious specimens of the deep that can be obtained, Lange said.

The event will be held at the American Legion Hall beginning at 5-8 p.m. and tickets may be obtained from any Rotary Club member at a cost of \$4 for adults and \$2 for children under 12.

Two Complete Gen-Tel Course

Two General Telephone employees, Dennis Henning and Randy Landre, have recently completed a course in Step-By-Step Switch and Relay Adjustment at the company's training center in Muskegon, according to Lois Reagan, division manager for the company.

The objective of the 10-day course is to enable the participant to adjust electromechanical switches and associated relays. He will also be able to inspect and adjust rotary switches and perform failure analysis tests. Mr. Henning resides at Route 4 with his wife Vicki. Mr. Landre resides at Route 4 with his wife and family.

OES Potluck

O.E.S. will be having a potluck supper honoring Masons on Saturday, February 17th, at 6:00 p.m. All Eastern Stars, Masons, and families welcome.

Townships Need Not Publish Whole Zoning Ordinance

by Willard Bosserman
County Extension Director

It was learned at a planning and zoning seminar Monday, January 29th that zoning ordinances no longer have to be published in full. That is, legislation passed December 14, states this. However, it doesn't go into effect until March 1, 1979.

The seminar was held at the meeting room of the county building annex at 1 p.m. Dr. Raleigh Barlowe and Dr. Leighton Lighty, Michigan State University's Cooperative Extension Service were resource people. Twenty four people representing 8 townships, Crawford and Roscommon counties and the Village of Roscommon were present.

Dr. Barlowe pointed out the greater need for planning because of the rapid increase in population and greater diversity of goals of the people. "When everyone in a township have the same goal for land use, there isn't much need for a plan," he said, "but, when there are many different goals for use

of land then a plan that is accepted by the majority is needed."

Another important change in zoning legislation, that Lighty pointed out, is that all levels of local government can have the power to condemn or purchase non-conforming uses. Under the old law a non-conforming use could go on forever. This new legislation gives local government the right to purchase the non-conforming use. I suspect, although a copy of the new law was not available, the local government could then change the use to a conforming use and resell it. This gives local government another tool to put their land-use-plan into practice with a little less time.

Other legislation legalizes some practices townships and counties were already doing, that is, issuing special use permits and providing for planned unit developments.

According to Greg Lyman, Department of Natural Resources.

Vike Wrestlers 3rd In League

Grayling Matmen placed third in the Michigan-Northern Shores conference Meet held at St. Ignace on Feb. 10. This year proved to be a surprise in many ways as the first 4 place winners fought neck and neck to the final match for the coveted first place trophy. Only 17 points separated the fourth place

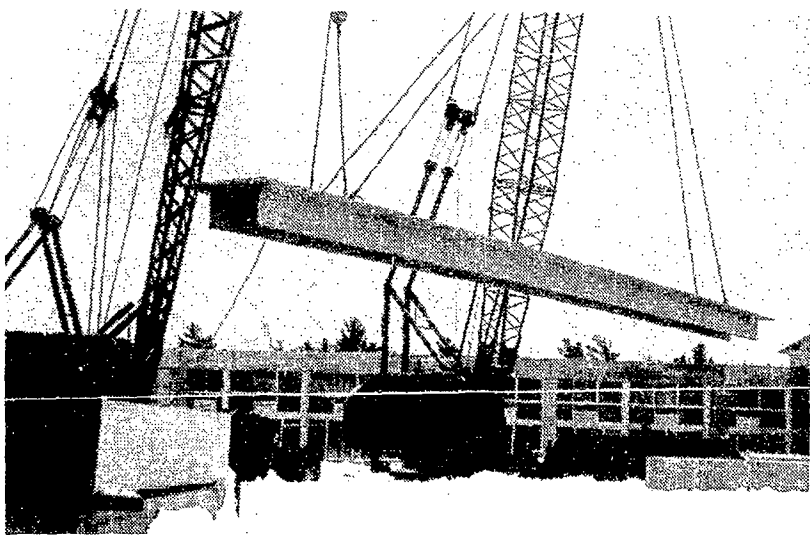

team, St. Ignace from the first place team, Petoskey. Vikings held the first place spot throughout part of the day, until dropping back in the final matches to third. Petoskey won the meet with 166 points; Rogers city placed second, with 159 points; Grayling came in third with 151 points; St. Ignace finished fourth with 149. This season proved to be interesting in the fact that the Vikings have remained a stable, steadily improving team. Other schools have been up and down as many of their strong winners are graduated. Coach Ferguson has been able to find the knack of building up new wrestlers into experienced, winning players. In each tournament this season he has steadily improved his standing from past seasons.

The high point in the conference was watching 12 members place in the competition. The low point was seeing Jerry Luckstead injured in the championship #155 match with Petoskey. The many prayers that accompanied him on his ambulance trip to Petoskey were answered as his injury proved not to be serious as originally anticipated. Spectators and team members from every school in the conference kept the telephone lines busy with their concern and well wishes for our player, again proving

CANOEING IN WINTERTIME?—While the mercury hovered around 10 degrees Joe Wakeley, owner of Jolly Redskin Canoe Livery, left, and Dave Hawkins, right, were found with snowblowers and shovels digging out. What? Canoe, of course, what else, in preparation for a group of twenty-four people from the Tri-City area who canoed from Louie's Landing to Wakeley Bridge on Sunday while the thermometer never got much above 10 degrees. The only redeeming thing was that the sun shone brilliantly all day Sunday and must have given the canoeists gorgeous scenery on the river. The same group has been making winter canoe trips for many years. (Fay Bovee Photo)

HOLIDAY INN—expansion construction continues throughout the winter aimed toward a June opening date, according to Ron Fraser, Inn owner. Shown here is a pre-cast, 47 ton concrete & steel beam being lifted into place that will ultimately cover the Holiday Inn, housing new rooming facilities, honeymoon suites and other indoor activities including game room to accommodate motel guests. A new banquet facility is planned for the project, to accommodate as many as 500, in addition to a terrace dining room. Room capacity will be increased to well over 200.

Eleven gigantic beams have already been installed, each measuring 120 feet in length, eight ft. wide and 38" deep. Smaller beams will be installed throughout this week, requiring a 100 ton and 50 ton crane to lift them into place. (Joe Schrader photo)

GRAYLING, MICHIGAN — THURSDAY, FEBRUARY 15, 1979

From Our
Corner ...

Tonight we feel wonderful as we look out at all the snow banks and feel the zero temperature and think that come Wednesday night at this time we will be in LA and we are quite sure the environment will not be the same, maybe a chilly 60 but, we're sure we will be able to endure that cold.

We do have one sadness as we depart the frigid clime of Michigan...that is we heard just the other day that an old friend Lyle Bilsby is tossing in the towel as the high haunchau of the state liquor store after some 30 years...

The sadness is not particularly with Lyle (Grayling's answer to Will Rogers) leaving his post, as it is for us to think we are getting that much older...but then, for a few years, we called him dad, to Toni and Dane he was granddad...only with a loveable jest...

Not being here this weekend to buy you an orange pop Saturday, the day after you turn in your keys, you will have to take a rain check...along with our many wishes into your retirement...

Monday afternoon we ran into John Morrill, the Bay City Times watch dog of the north, in laymans talk that's a tipster...any how, John just went through a major surgery a few weeks ago, and now he says he will undergo more on Tuesday at the Bay City Medical Center...to John, our thoughts will be with you as we head west, and as we said, you are going to be the first bionic we know...

This is going to have to be the end, possibly when we get our head out of the clouds and our feet on the ground in a couple of weeks things may be different from our corner.

In answer to Jack and Doris Bigham and Steve and Linda Jorgenson...you asked if TJ was flying west with us...the answer is yes. She will see her cousin Amber, while leaving Stef at home.

Mrs. d. Vern Perry celebrated her birthday Sunday with a party at home. Several friends and relatives assisted in the celebration and presented Mary with many nice gifts. She served her guests a birthday luncheon.

Mr. and Mrs. Richard Lovely drove to Kalamazoo last Friday to bring home their daughter, Jean, for the winter sports carnival weekend. They drove her back on Monday.

The Rev. and Mrs. d.R.C. Puffer announced the marriage of their daughter, Mrs. Rowena Trowbridge, to H. Maxwell Davenport of Marysville, February 3rd, in a quiet ceremony at the bride's home in Gaylord. Rev. Puffer officiated.

Mr. and Mrs. Tom Welsh and son Tommy spent Tuesday in Traverse City on business.

Miss Jean Millikin of Ferris Institute at Big Rapids spent the weekend with her parents, the Ralph Millikins. John Jackson of C.M.C. at Mt. Pleasant was also their guest.

A note from the Art Cloughs who are sojourning in Englewood, Florida tells that several Grayling folks stopped to see them last week. They were Mr. and Mrs. Bill Wyss and David and Debbie, Mr. and Mrs. Thomas Haugh and Arlie Wilson and his brother and wife, Mr. and Mrs. Deo Wilson. High temperatures there for the week of Feb. 2 through 8 were in the 80's each day with lows in the 60's for all but two days which were 55 and 58 readings.

Mr. and Mrs. Ray Kuhn and children Michael and Patti of Bay City were guests of the Jack Cooks during the carnival weekend.

Robert Holzman, Harold Golinick and William Moshier are attending a showing of the new Maytag line at the Hotel Bancroft in Saginaw on Thursday evening.

Azro Day has returned to Grayling after living with his daughter, Mrs. Blanche Harps in Maybce for the past couple of years. He is staying at the Theodore Visnaws.

Miss Judy Weaver has been accompanying her mother, Mrs. Don Weaver, to Traverse City on Tuesday afternoons to take a series of sewing lessons from the Singer Company. Recent guests of the Weavers were Dr. and Mrs. Ray Taylor of Lansing.

Roy McEvers made a trip to Saginaw on business last Friday. He went on to Flint to visit his brother, Calvin, in Hurley Hospital. Calvin suffered a broken leg which required surgery, on Wed. of last week.

Joe meagher, Jr., and a friend, of Bay City, spent the weekend before last at their AuSable River home.

The Misses Margrethe and Ella Hanson returned Monday from Detroit after having spent several days there. The latter also enjoyed a trip to Boston while away.

Mrs. Thomas Kechittago, who is about 100 years old, is seriously ill at her home on the South Side.

Mrs. Adolph Peterson entertained eight girls Monday in honor of her youngest daughter, Natalie, who celebrated her birthday.

Emil Giegline, who is located at Marquette at the present time in the interest of the Kerry & Hanson Company, spent the weekend here with his family. The occasion was also the celebration of their wedding anniversary.

Mr. and Mrs. Norval Stephan (Theresa Vallad) are rejoicing over the birth of a daughter, to be known as Patricia, who was born to them last Saturday evening.

Harold McNeven of the Hanson Hardware left Tuesday for Grand Rapids to attend a Hardware convention. He was accompanied by Wesley LaGrow, who will visit friends there.

George Schroeder accompanied his mother, Mrs. Joseph McLeod and her little grandson, Roger Schroeder, to West Branch, where they spent the day visiting relatives and friends.

The first division of the Ladies Aid Society of the

Michelson Memorial Church gave a supper Tuesday evening at the church, which was very well attended. Mrs. Nels Corwin was chairman of the group. The high school orchestra furnished music throughout the supper. A nice sum was realized for the aid.

A Valentine luncheon bridge was given by Mrs. C.R. Keyport to her Bridge Club Saturday afternoon. The lace-covered table, at which the guests were seated, was graced by a bowl of sweet peas guarded by silver candleabra. Mrs. George Alexander held the high score for bridge, Mrs. Robert Reagan was a guest.

Miss Virginia Heosli was the weekend guest of Miss Clara Bugby in Flint.

Miss Fern Armstrong, who had been absent from her duties at the Grayling Mercantile Co., owing to a seige of mumps, resumed her duties Saturday.

Mrs. A.E. Hendrickson was pleasantly surprised on her birthday which occurred yesterday, when her daughters, Mrs. Edwin Carlson and Miss Emma entertained a few friends in her honor. The affair was held at the Carlson home last evening.

Miss Lillie Mellstrup spent Sunday with Bay City friends.

Mrs. Robert Robin spent Sunday in Bay City.

Mrs. A. Charron and Miss Frances Charron have returned from a visit at West Branch.

Lillie Eastman celebrated her birthday Thursday by entertaining some of her little friends.

The ice man is nearly through with his winter harvest, having put up more of the oncoaled fluid than ever before, and only having been delayed at times by an excess of snow.

Mrs. W.J. Snively of Roscommon was in the village last week as the guest of her daughter, Mrs. R. Richardson and Mrs. G.W. Heyl.

Miss Nora Peterson, who is teaching at Johannesburg, spent Sunday with her parents, Mr. and Mrs. Hans Peterson. She was accompanied by one of her pupils, Miss Sunshine Franklin.

Reports say that Game Warden Babbitt has been quite busy of late, finding persons appropriating meat and fish for their own use which the law says belongs to the state at this season of the year.

The Good Fellowship Club gave a Valentine Party at the home of Mrs. George Alexander Monday evening. There was a shooting contest and one of writing original valentines. At the banquet table the guests found, between their sandwiches, slips telling fortunes for the future. It was one of those delightful parties for which the club is famous.

"If you're insuring a snowmobile, your policy should cover you on somebody else's machine, too."

"We recommend that people choose their snowmobile insurance the same way they pick car coverage."

"You should pick a policy, for instance, that helps protect you while you're driving someone else's snowmobile, too."

"A policy that pays for your own medical expenses as well as those of your passenger."

"To get this kind of comprehensive coverage, we recommend an Auto-Owners recreational vehicle policy."

The Bible Speaks

From Calvary Baptist Church

Why Baptist Baptize
By Immersion

February 15, 1979

Though we believe Baptism is non-essential for salvation; we believe it is very essential for Christian obedience. Since Jesus Christ made Baptism a part of the Great Commission, commanded the practice of it and instructed us in the Bible how to practice it, the mode of Baptism should be important to all of us.

1. The Baptism of Christ, our example. Jesus Christ walked 17 miles from Galilee to the Jordan River to be Baptized. Were the mode of Baptism not important, why did Jesus walk the entire 17 miles? The language that describes the baptism of Jesus Christ only logically admits immersion: "And Jesus when He was baptized went up straightway out of the water." Matt 3:16. Mark also records how after Jesus "was baptized of John in the Jordan; and straightway coming up out of the water." Mark 1:9, 10. Jesus was Baptized "in" the Jordan, not "at" the Jordan. He came "out of" the water, not just away from.

2. The very words "baptizo" and "baptisma" teach immersion. These words from the Greek were not translated into English because the Translators feared to offend those churches who practiced sprinkling and pouring for Baptism. Therefore these words were merely transliterated into English. Greek Lexicons and Dictionaries tell us these words mean to dip, plunge, immerse or submerge.

These two Greek words are used over 100 times in regard to baptism in the Bible. The Greek words for sprinkle or pour, "Ranizo" and "Koo" are in the Bible, but not used for Baptism. The word "Katharizo" meaning to purify, "Brekro" meaning to wet or moisten, "Louo" meaning to wash; and "Nipto" meaning to wash the extremities all these Greek words are in the Bible, but none refer to Baptism.

3. The amount of water required teaches immersion. "And John also was baptizing in Enon, near to Salim, because there was much water there." John 3:23. John Calvin, a reformer who still sprinkled, said of the above verse in his commentary: "From these words of John it may be inferred that baptism was administered, by John and Christ, by plunging the whole body under the water." Notice Philip and the Eunuch in Acts 8:26-39. They certainly had sufficient drinking water in the desert to provide for

sprinkling or pouring, but they travelled until they found water where they went "down both into the water", and following the Baptism "they were come up out of the water."

4. The design of Baptism requires immersion. Paul says in Col 2:12 that we are "buried with him in baptism." Also in Romans 6:4, "Therefore we are buried with Him by baptism into death." John Wesley said of this scripture, "Buried with alluding to the ancient manner of baptizing by immersion." Paul also says in Romans 6:5 "...we have been planted together in the likeness of his death..." Certainly "buried" and "planted" can only be fulfilled by the symbol of immersion.

Space will not permit us to list all the testimony of the early church fathers like Justin Martyr in A.D. 140; Tertullian in A.D. 204 or Gregory in A.D. 360 who confirm the early church practiced baptism by immersion. Archaeological Evidence of early baptisteries at Florence, Venice, Pisa, Naples, Bologna, Ravenna and the Lateran at Rome all support baptism by immersion. The baptistery at Pisa built in 1160 has a diameter of 115 feet. Some old baptisteries could be compared to a city swimming pool in size. (adv.)

Farmer's Week To Visit Dow Gardens

By Willard Bosserman,
County Extension Director

The Dow Gardens is to be
visited by Farmers week
participants choosing the
landscape architecture pro-
gram. The tour will take
place Wednesday March 21
midway through Farmer's
Week.

Past visitations to unusual
sites within easy reach of
Michigan State University
has been very popular. Jo-
seph T. Cox, Extension
Specialist in Landscape Arch-
itecture says this ranks
among the top. Midland Co.
Extension Director, Ronald
Beach and Mr. Douglas
Chapman, Horticulturist for
Dow Gardens have made
local arrangements.

The gardens were initially
developed by Dr. Herbert H.
Dow, founder of the Dow
Chemical Company, for the
enjoyment of family, friends
and associates.

Since the first spade of
earth was turned and the
first tree planted in 1899, the
gardens have been enjoyed
by thousands of visitors
from around the world.

As Dr. Dow worked and
intended, the gardens are
constantly changing. In 1973
a major construction, re-
vampment, maintenance, in-
troduction of new plant
material and the formation of
educational objectives have
taken place within the gar-
dens. These changes are
designed to provide the
visitor with a broad avenue
to explore within the entire
display area. The garden is
opened the entire year, ex-
cept a few holidays. The
March tour will feature spring
bulbs.

For reservations write or
call your Cooperative Exten-
sion Service office for a
reservation form. The Ros-
common office is P.O. Box
507 and phone 517-275-5043.

Pickle Products
When pickling, use pure
granulated pickling salt or un-
iodized table salt. Iodized salt
causes pickles to darken. Salt
and vinegar help preserve
pickled products.

Road Commission Minutes

February 2, 1979

A regular meeting of the Crawford County Road Commission
held in their office in Grayling. Chairman Richter presiding. Present
were: Chairman Richter, Commissioners Gloria Kraus, and Grover
Cason. Manager: Charles Fox, Engineer: Ron Herneke, Secretary
Loran Bernard. Absent none.

The minutes of the last regular meeting were read. Grover
Cason made a motion to accept the minutes with corrections,
seconded by Gloria Kraus. All voted in favor, motion carried.

Engineer Ron Herneke discussed the plans for the Building
addition with the Board. After much discussion and a few minor
changes in the plans, Grover Cason made a motion that Ron
continue with the plan and to prepare an estimated construction
cost for the Board, seconded by Gloria Kraus. All in favor, motion
carried.

A discussion was held regarding the preliminary plans for the
proposed construction of Wilcox, Steckert and Batterson Bridges.
Ron Herneke informed the Board that the plans are progressing on
time for construction proposed for the Summer of 79.

Discussion was held on the seal coating of Lovells Rd. from
North Down River Road to County Road 612. No definite plans were
made to complete this project, at this time. Further discussion will
be held at a future date.

The notice suggesting that the employees acquire a chauffeurs
license when their present license expires was read and approved
for posting by the board.

The Board broke for lunch and upon returning, Bernard Fowler,
Grayling Township Supervisor, appeared before the Board with a
snow plowing complaint in a Subdivision. The Board informed him
that there was no apparent solution to the problem of snow spilling
in driveways.

Mr. Fowler also discussed the status of Thendara Road
improvements that were proposed last fall, and wanted to know if
the improvements would be made this spring; since there is a grant
to the township for the improvement. The Board said it would be
completed in the summer of 79.

Mr. Herneke informed the Board on plans for future
construction of Pere Cheney Road in South Branch township. Field
Surveys are completed, plans are being drawn and necessary
permits are being processed.

The Radio Maintenance Control Contract for the year 1979 was
discussed. The price of the maintenance is \$265.45 per month.
Grover Cason made a motion to accept the price, seconded by
Gloria Kraus. All voted in favor; motion carried. Contract signed.

Emmet Dunlop appeared before the Board on the CETA
program that furnished wood for the under privileged. Wood has
been given to the program but they were unable to get it out.
Emmet requested that the Road Commission clean out the area
going to the wood. Because the wood is located within the City
limits, the Board suggested that he contact the City of Grayling to
do the job. Mr. Dunlop said that he would.

Charles Fick, representing the Kiwanis Club requested of the
Board, that they be allowed again this year to use the storage barn
of the Road Commission for their trade show the last week in April.
The Board instructed Mr. Fox to check with Norm Feldhauser to see
if there were any problems from last year, and if not, then they see
no reason that the trade show could not be held here.

Following quotes for tires were discussed at this time. The
prices were as follows for 10 each 1100 x 20 tires:

Upper Lakes Tire Dist. — Gaylord - \$146.59 ea with 10 day
delivery

Harold Alexander Inc. — Bay City - 106.86 ea with same day
delivery

Olson Tire — Mt. Pleasant - 140.90 ea with two week delivery

Grayling Tire — Grayling - 91.26 ea with seven day delivery

After discussion the Board instructed Mr. Fox to order the tires
from the Grayling Tire Co.

There being no further business; Gloria Kraus made a motion
to adjourn, seconded by Grover Cason. All voted in favor. Meeting
adjourned.

Ervin Richter, Chairman
Lorna Bernard, Secretary

Chicken Soup For Colds

Mothers have known it for
decades, maybe centuries.
Now researchers are finding
that chicken soup really can
help cure a cold.

Hot fluids loosen up clog-
ged nasal passages and
increase the movement of
mucus. But chicken soup
does something special.
Whether that something is in
the aroma or taste isn't clear
yet.

In a study with 15 volun-
teers, Marvin A. Sackner,
M.D., director of medical
services at Mount Sinai
Medical Center in Miami
Beach—tested the effects of
hot chicken soup as well as
hot and cold water. Sipping
hot water increased the
speed of mucus moving
through the nose. But chick-
en soup caused the mucus
to move even faster than did
the hot water. Drinking cold
water reduced the move-
ment; even after half an hour
the rate of mucus movement
was not back to normal
levels.

The same fluids were also
sipped through straws from
covered containers. Hot
water had little effect; but
the hot chicken soup still
made the mucus move faster.

According to Dr. Sackner,
who is president-elect of the
American Thoracic Society,
the medical section of the
American Lung Association,
movement of mucus is one
of the body's lines of defense
against dirt and infection. A
sheet of mucus moves con-
tinuously along the linings
of the nose as well as in the
air passages of the lungs.
The mucus deposits dirt and
germs in the throat, where
they can be spit out or
swallowed into the digestive
system and rendered less
harmful. Coughing helps
clear out the passages below
the throat; and sneezing
clears those above.

To find out more about
new findings that can help
prevent and treat respiratory
disease, contact your Mich-
igan Lung Association. And
to help continue the fight
against lung disease, answer
your Christmas Seal letter
today. It's a matter of life
and breath.

RECEIVES SELESKY MEMORIAL SCHOLARSHIP—Miss Julie L. Gravelle (left) was awarded the Mike Selesky Memorial Scholarship recently by Mr. Don Fenton (right), Instructor of Natural Resources at Kirtland Community College. Julie, a freshman Natural Resources student, is the daughter of Richard M. Gravelle, 9641 Thomas Drive, St. Helen, Michigan and a graduate of Roscommon High School.

This annual award is made through the efforts of Mr. and Mrs. John Selesky of Rose City who established a memorial fund in honor of their son, Michael, who died in an automobile accident in 1976. Michael held a strong interest in forestry, thus the award is made toward tuition costs for a Natural Resources student each year at Kirtland Community College.

With The Army In Germany

U.S. FORCES—Germany 5—Spec. 4 Donald P. Latusek son of Mr. and Mrs. Peter J. Latusek, 500 Cedar St., Grayling, is participating in the first Return of Forces to Germany (REFORGER) exercise to be held in winter.

REFORGER 79, a strategic mobility exercise, demonstrates the U.S. capability to move by air and sea to reinforce NATO rapidly in a crisis situation.

The Reforger units join U.S. units stationed in Germany and allied elements for the exercise in an area between Northern Baden-Wuerttemberg and Eastern Bavaria.

Army National Guard and Army Reserve units also are included in Reforger, one of the NATO's largest annual exercises.

The soldier is a member of the 1st Armored Division in Germany.

Appears in LSSC Theater Production

Saul St. Marie—Deborah A. Bollman of Grayling, appeared in the Lake Superior State College Theatre production, "Overruled", by George Bernard Shaw.

The play was one of three one acts the company presented.

"Overruled", Shaw's comedy concerning affairs of the heart, involves two couples who decided they prefer to switch mates.

The daughter of Mr. and Mrs. Harold R. Bollman of Grayling, she performed as one of the wives, Mrs. Lunn. Miss Bollman, a sophomore English language and literature major, is a member of LSSC Theatre Club and active in intramural sports.

A 1977 graduate of Grayling High School, she was active there in musicals, plays, choir, served as senior class president and was a member of National Honor Society.

Kitchen Bridge

Kitchen Bridge met at the home of Sandy Cory on Monday evening, February 5. Cheese fondue with french bread, bridge mix and assorted nuts were served. Barbara Hazen and Kae Lund held high and Carolyn Di-Ponio and Sandy Cory were low.

District Court

The following appeared in 83rd District Court before Judge Francis L. Walsh last week:

Mark Lee Burns of Grayling demanded preliminary examination on two counts, the first armed robbery; the second, possession of a firearm while committing a felony. Examination date has been set for February 20, 1979 and bond was set at \$20,000.

Kevin E. Harmer, Frederic, demanded preliminary examination on a charge of malicious destruction of property over \$100, the 12 day period was waived and a \$2,000 personal bond set.

Christopher E. Snyder, 17, Pontiac, pleaded guilty to a charge of larceny of property valued at \$100 or less and was sentenced to 10 days in jail with credit for time already served, was placed on probation for one year and ordered to pay \$50 in attorney fees.

James Preston Brankov, 35, Grayling, pleaded guilty to a charge of impaired driving and was fined \$185 or 14 days in jail.

Jan D. Morgenstern, 23, Roscommon, was found guilty in a court trial on a speeding charge and was fined \$16 and costs.

Paul Russell Allen, 37, Mancelona, in a court trial, was found not guilty to a charge of speeding too fast for conditions and guilty to a charge of failing to stop at a red signal. He was fined \$16 and costs.

Michael Samuel Labeau, 26, Roscommon, was found guilty in a court trial to a charge of disregarding a stop light and was fined \$16 plus costs.

Roger Vaughan, 40, of Auburn Heights, was found not guilty in a court trial to a charge of improper lane usage.

James Henry Weadbrock, 24, Grayling, was found guilty in a court trial to a charge of disregarding a stop sign and was fined \$16 plus costs.

Gary Steven Beauchemin, 23, Roseville, was found guilty in a court trial to a charge of driving left of center line. Fines & costs were suspended.

Loretta Huisman, 18, of Grayling, was found guilty in a court trial to a charge of disregarding a stop sign. Fines & costs were suspended.

Sweet Adelines Activities

Mid-Mitten Chapter held their weekly rehearsal Wed., February 7th, on stage at the Roscommon High School. A good rehearsal was held, trying to work on things learned at our training session held Saturday, February 3rd, with emphasis being placed on timing diction. Much work was also done on choreography which must be so natural to do, we won't have to think about our movements and can then concentrate on our singing. This is not easy!

Wanda Chambers is busy remodeling the trim on our long dresses and making new hats. Wanda does such a good job on this very important part of our chapter.

Word was received that only 15 choruses and 6 quartets are competing during Regional Competition, due to the tough caliber of judging now done in these competitions. With so few competing, it makes it even more tough for small chapters to compete with the very large chapters. This means we really have to be prepared as well as we possibly can.

Don't forget to buy a ticket on the \$100 Grocery Shopping Spree sponsored by the Sweet Adelines. Someone has to win and \$1 for \$100 doesn't sound bad! Any Sweet Adeline can provide you with a ticket.

CARD OF THANKS

To my many good friends back home in Grayling and those scattered around the country through these winter months I wish to send my thanks for all the letters, get well wishes and prayers which I have received this past month and during my (two weeks) illness at Lakeland General Hospital, Lakeland, Florida.

A special thank you for the cards and prayers from those wonderful nurses and Sisters at Grayling Mercy Hospital. I must not forget Laura Gould and the gang at AuSagra Acres for their concern.

Thank you,
Ernest L. Larson

Law-media face-off growing

RICHARD MILLIMAN

Fresh from the annual convention of the Michigan Press association, this writer perceives at least one conclusion loud and clear.

It is not only the New York Times and the Washington Post which are concerned about the escalating web of problems enveloping the media and the courts; smaller, community newspapers are mightily concerned, too.

At the recent MPA convention, programs which centered on law-media relations were the best attended and the liveliest by far.

Bringing the concern closer to home in Michigan has been the so-called Traverse City case, in which a circuit judge in tiny Kalkaska County in Michigan's northland ordered the Traverse City Record Eagle and one of its reporters to turn over to the Kalkaska prosecutor notes used in preparing a story in a murder case.

Rather than defy the law as represented by the court, the newspaper and reporter, after exhausting legal appeals, complied. Besides, according to Editor John Kinney, the notes contained nothing of value that hadn't already appeared in public print.

The Traverse City case followed close on the heels of the celebrated Farber Case in the east. In that one, New York Times reporter Myron Farber spent some 40 days in jail, and the Times paid hundreds of thousands of dollars in fines for refusal to turn over Farber's notes gathered in another murder case. Farber was turned loose and the fines ceased once the defendant in the murder case, who had demanded Farber's notes was found innocent without them.

There are some similarities between the two cases, and many differences. Many community newsfolks—including this one—didn't get too excited about the Farber case; after all, it happened way out east in New Jersey, and involved the giant New York Times. And Farber didn't arouse much sympathy among his far-away colleagues; his primary concern seemed to be to write a book instead of a news story.

But when the law struck in tiny Kalkaska County, right near home, than local media concern hereabout heightened. If it could happen in Kalkaska, it could happen in Charlotte, or in Howell, or in Hillsdale, or in St. Johns, or almost anywhere else, too.

The Stanford search case causes concern, too. In that one, a court officer issued a search warrant permitting police to search the office of the Stanford University Daily out in California, looking for a picture the newspaper might have taken of some student demonstrators. That one sent shivers up and down editorial spines, too.

What does an editor do if the local circuit court orders one of your reporters to turn over notes on a story the reporter wrote a few weeks ago, because either the prosecutor or the defense attorney wants them? do you comply, and this, as Editor Kinney warns, become an unwilling and unwitting agent of the police force, or do you risk jail?

What does an editor do if the local sheriff comes knocking at the door, ready to break in if necessary, to search for some suspected evidence that a reporter or photographer might have turned up—knowingly or unknowingly in some routine news assignment? Do you lock the door and refuse, or stand quietly by, or yell like the dickens, or what?

As one of the MPA speakers reminded local newsfolks, under our system, the law has behind it the power to see that it's enforced, including officers, and guns, and tanks if necessary. That's the way the system is designed.

Then there are the courts which increasingly seem to be locking the doors for hearing and trials; Michigan law permits courts to close their doors in certain cases—usually sex-related—under certain circumstances. That shuts out not only the press, but the public, too, with the results known only when the court chooses to release the information. That already has happened in Farmington and Mt. Clemens—both challenged by the media—and in Charlotte, unchallenged.

Many news folks think the people's right to know has all the protection it needs, right there in the First Amendment to the U.S. Constitution. In case you forgot, it says: "Congress shall make no law respecting and establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or the press; or the right of the people peaceably to assemble; and to petition the Government for a redress of grievances."

That seems very clear to me, but apparently it's not that clear to many judges. That's why the worry lines grow deeper on the brows of many newsfolks these days, including this one. Nor have I touched on all the areas of contention in this short piece, either. It is not a simple situation.

The controversy is not a sweet one, nor will it be settled shortly; but the stakes are exceedingly high.

The Key point to keep in mind as the scenario develops is that the public has the highest stake of all. Keep in mind that the Constitution belongs to the people of the United States, and not the press. And that includes the First Amendment, too.

KIRTLAND AWARDS SCHOLARSHIPS—Recipients of the Patrick J. Trahan Memorial Scholarships are Mr. Tim E. Aylsworth (left) and Mr. Kelly A. Sailor (center). Presenting the award is Mr. Don Fenton (right), Instructor of Natural Resources at Kirtland Community College.

This is the third consecutive year that Kirtland students have benefited from a memorial fund set up with the KCC Foundation in memory of Patrick J. Trahan, a longtime Bay City businessman and former Michigan Tourist Council Executive. The memorial fund was established in 1975 by Mr. Sarge Harvey of Saginaw, a friend of the late Mr. Trahan.

In order to be eligible for the scholarship, students must be residents of Michigan and enrolled with sophomore status at Kirtland, maintaining a 2.8 GPA or better; and majoring in Conservation or Natural Resources. The scholarship covers the student's full tuition cost.

Mr. Tim E. Aylsworth is the son of Francis and Marjorie Aylsworth of 731 Eureka, Greenville, Michigan.

Mr. Kelly A. Sailor is the son of Doyle and Delores Sailor of 9150 E. Judd, Greenville. Both boys are 1977 graduates of Greenville High School.

Cross Country Ski Advice

The U. S. Forest Service has issued the following reminders to beginning skiers using Huron-Manistee National Forest cross-country trails, so that numbers of injuries and damage to equipment can be minimized:

(1) Know your limitations and do not exceed them. Many first time skiers are using "More difficult" (intermediate) trails resulting in injuries or broken equipment. Beginning skiers should use the trails marked "Easiest".

(2) Be prepared. Carry a small pack with emergency repair equipment including: tape to repair broken ski poles; thin wire to repair bindings; and a small screwdriver to tighten binding screws. A spare ski tip in aluminum or plastic is a good idea, too, as it will enable a skier with a broken ski to get back to the car.

(3) Be sure bindings are tight on the ski. Rental skis should be checked before departing as well, since they are not always in good condition.

(4) Carry something to drink (non-alcoholic) as loss of fluids due to perspiration causes dramatic loss of stamina. Drink something whenever you are thirsty. Do not depend on snow to quench your thirst.

(5) Emergency rations such as candy bars, sugar in any form, nuts, etc., are also a good idea. Skiing consumes a lot of caloric energy and your stamina

is important to a successful trip.

(6) Know when to quit. This comes from practice. If you wait until you are tired to turn back to your car, you're too late. It takes as much energy to get back as it did to get into the woods. Turn back before you are tired and if in doubt—play it safe. Don't go any further.

(7) When in groups, let the weakest skier control the speed and distance of the group. It will be more enjoyable to all the party if no one gets so tired they cannot get back easily.

(8) Don't ski into an unfamiliar area without a map. Most of the Forest Service trails have published maps which show the entire trail. In addition, many trails use a locator map on the ground to help determine the location of the skier.

(9) Signs are placed on the trails only when necessary for skier safety. Please pay particular attention to those signs which alert skiers to dangers in the trail. Not all hills are signed, but each hill can present difficulties during certain weather conditions. Be alert!

(10) Above all, remember—cross country skiing is fun, but it can be a disaster if you are careless. These simple reminders can become habit and you can then be prepared to enjoy your trip without a mishap.

February 2, 1979
Dear Editor:

Representatives of "The Organization for the Preservation of Michigan Forests, Inc." attended the "Northeastern Michigan Wood Industry Conference" at the Holiday Inn, January 31, in Grayling. The theme of the meeting was, "Making a Profit in the Wood Industry."

Besides the loggers representation, other groups were: Upper Great Lakes Regional Commission, Timbermen's Association, State Chamber of Commerce, Packaging Corporation of America, Independent Producers Association, Cooperative Extension Service of Michigan State University—to name a few listed on the program. Their objective was wood, and the method of harvesting—clearcutting. And of course the DNR was represented. Jack Zollner of the DNR stated, "We have 4.7 million acres in northeastern Michigan available for clearcutting and we hope that sales will accelerate."

As a matter of dollars and sense, the Grayling area is well-known everywhere as one of the finest tourist areas of Michigan which raises the question: What will tourist reaction be to a scalped countryside in your proximity when clearcutting is exercised by the loggers?

Think about the far-reaching effect of residents daily viewing a "disaster area". One of the speakers, George Graff, of the State Chamber of Commerce stated: "We communicate facts and figures"—referring to the logging industry. But what facts and figures does he have for people engaged in tourism, or, how does he satisfy someone's real estate located adjacent to a clearcut area?

As an organization we are trying to impress the DNR that changes are necessary—where they cut, how cutting is done, what species are to be cut, to repair damaged roadways, and to replant where errors in judgement occur. We also believe the DNR should supervise the cuttings and insure the area against erosion and sedimentation. Property owners, Businesses, and most of all—Lovers of Crawford County—be alerted as to what can happen.

Very truly yours,
John D. Laurenz

Vikes Bow To Hurons, 84-71

Despite a gallant second-half comeback, Grayling failed to break into the win column in conference action against Rogers City in an away game last Friday night. Down 53-23 at the halftime break, the Vikes made a game out of it in the second half before bowing 84-71 to the Hurons. Grayling outscored Rogers by 14 points in the second half but the deficit was too much overcome and the Hurons raised their conference record to 6-4 while leaving the Viking squad winless in conference action.

Grayling's only action this week took place Tuesday night on the road against Roscommon. "Our kids just never quit," commented Head Coach Wolcott after the Huron contest, "but 22 turnovers in the first half hurt us."

Geoff Stancil, Viking forward, continued his lead in individual scoring in conference play by scoring 22 points. His conference average now stands at 20.1 points. Jeff Parkinson stung the nets for 14 points, Ken Helsel hit double digits with 10 points, Mike Walsh hit for nine, Tim Krey 6, Mike Chrisman and Todd Dunk-

ley 4 apiece and Skip Olsen, 2.

Late in the contest, Grayling cut the Huron lead to 6 points before another Rogers City spurt put the game out of reach. "We just turned the ball over to them too often on our fast break," concluded Wolcott, "and we missed six one-on-ones at the free throw line and all that hurt us."

JV In the preliminary contest, Coach Warren "Butch" Hays' squad blew the Hurons off the court, 90-23. John Junttila led the Vikes in scoring with 20 points, while Scott Hale and Bill Roach hit double figures respectively, with 16 and 15.

In Freshmen action this past Monday night, R.J. Hannan's freshman squad knocked off Roscommon, 63-31, with Tracy Fagan leading the way with 23 points.

Dear Whitey,

As you know, I receive the Avalanche each week and read with great interest the activities of the area.

I was particularly pleased to read about the new Youth Services Office which just opened. I want to commend everyone who worked so hard and long to make this a reality. I know what kind of constant dedication it takes to make this happen.

I appreciate this opportunity to be able to express my thanks and my best wishes and prayers for their future efforts. Keep up the good work!

Bits O'Talk

By Fay Bovee

We're still picking up some much belated holiday news—Chris Kellor, son of Mrs. Peggy Kellor, who is a senior at the U of M was one of the lucky ones who was able to attend the Rose Bowl game.

Friends of Lewis and Laura Konvicka will be happy to hear that she is making good progress in therapy now and was able to go out for dinner Saturday night at Chief Shoppe-nagons. Guests were their daughter, Betty, and husband, Gary, of New Hudson, who spent the weekend visiting them at their home on Dort Road.

Dr. and Mrs. Vernon Blaha were in Pontiac Thursday night where they were joined by George Blaha for dinner and all of them attended the Piston's game at the Silverdome.

Mr. and Mrs. Byron Randolph and Mrs. Kip Papendick spent four days weekend before last visiting Jim and Phyllis Bond in Lansing.

Janel Papendick, who is spending some time at her parental home has been doing some substitute teaching with the Crawford-AuSable Schools. This past weekend she traveled to Mount Pleasant to get together with the twenty friends who were in England together. They met at the home of Dr. Tom Kromer to share pictures and reminisce.

Mrs. Don Gothro, accompanied by Sara Martin of Gaylord, went to Lansing and Leslie to spend a long weekend. Sara visited her parents, Mr. and Mrs. Ed Martin, and Jean

visited her daughter, and husband, Bob and Mary Ann Clayton and their new baby boy. Bob and Susan McCurdy and Mickey and Dolores Stillwagon were at the Kenyon cottage at Paradise in the U P for three days last week.

Mrs. Helen Harwood and her daughter, Mrs. Joan Rasmussen returned on February 6 after a month's visit in the south. Leaving here on January 10, they stopped in Toledo, Ohio, to visit Helen's sister and husband, Mr. and Mrs. Dale Penny. Continuing on to St. Petersburg, Florida, they visited Mrs. Katherine Burger and Mr. and Mrs. Gary Swanson. Also visiting at the Swansons were his parents, Mr. and Mrs. Roy Swanson. Joan went on to Coco to visit Mr. and Mrs. Robert Roberson and son, Ricky. They visited Mr. and Mrs. Richard Johnson and son, Bill and Mrs. Nill and her daughter, Clara and husband, in Tarpon Springs. Helen visited her aunt and uncle, Mr. and Mrs. Bonan Flanigan, and in New Port Richey, another aunt, Mrs. Clara Perkins, whom she had not seen in 10 years. On the way home, they spent one day at Disneyworld.

Thank you for calling, please keep that news coming, 8-7017, evenings.

On Monday, the staff of the Golden Touch had a private showing of Redken make-up with Jean Tedhams, Redken's chromatologist. On Tuesday, she served as consultant for hair coloring during their regular customer day.

Dear Editor,

Three and a half weeks ago I was critically ill with severe kidney failure. Due to excellent medical technology, which included a temporary pacemaker (removed three days later), I lived through the physical threat to my life. As a result of intercessory prayers, my Doctor was able to announce to my wife 24 hours later that I had improved 300%. The unique blending of medical technology and the power of prayer enabled me in the words of my Doctor to experience a "most remarkable recovery." Today I am stronger and feel better than I have in over two years.

I wish to thank the Doctors and medical personnel for their wisdom and care both at Mercy Hospital and the Munson Medical Center for saving my life, along with the many persons in Grayling, and beyond who remembered me in prayer during those troubling hours and brought about my extraordinary recovery.

I also wish to thank all those who have been supportive of the Spencer family across these weeks. For instance, the American Red Cross immediately went into action and assisted my daughter and her family to fly home from Germany. Many brought in food to our home, which was greatly appreciated since my wife spent a great deal of time in Traverse City. I never knew how important get well cards were until they came pouring in and lifted my spirits tremendously. The knowledge of general community concern and the faithful support of local

pastors and congregations was very significant in my recovery. I further wish to thank the Rev. William Fraser, Charles Kolb, and Hertha Laupmanis who accepted preaching responsibilities during my absence; along with the various Lay Readers who are assisting them in the morning worship services; and the lay leadership and staff of the Michelson Church who automatically followed through on their responsibilities in a manner which kept the work of the church on an even path.

Now that the root cause of two and a half year health problem has been diagnosed as vasculitis and under control, I wish to especially acknowledge the congregation of the Michelson Memorial United Methodist Church, who have stood with me during transition, encouragement to endure.

Rev. George E. Spencer

CARD OF THANKS

My sincere thanks to Drs. Burkley, Rosi and Blaha and the entire hospital staff for their splendid attention during my confinement at Mercy Hospital.

Quiche Is Easy

Quiche is quicker than you think. It requires just a few ingredients—eggs, milk or cream, cheese and pastry make the base. Then, it's up to your imagination. Try starting the crust with a dry white wine. The classic Quiche Lorraine blends together eggs, cream, bacon and Swiss or Gruyere cheese. Adding an onion won't hurt!

Ski Team Defeats Harrison, Splits With Charlevoix

Varsity ends dual meet season 34-9-1
Grayling Girls defeated Harrison and Charlevoix last week as their dual meet season ended. The Viking girls finished the year winning 19 races and losing 3. Meet scores were Grayling 25-Harrison 53; Grayling 33-Charlevoix 40.

Volley Teams Gear For League Tourney

By Joe Schrader
Coach Nancy Lemmen's JV volleyball squad posted its first season victory last week here at home, beating Rogers City here at home, 14-16, 15-5, 16-14. "The team played as a unit probably as well as they have all season," commented Coach Lemmen after the contest. "Our serves were the best they've ever been too, she continued, especially those by Tammie Messerschmidt, who served for 14 points." In the following varsity contest, though, Grayling lost to the Hurons, 16-14, 6-15, 16-14, 13-15, 15-8. The squad took Rogers City the full five games before bowing, but it's showing against last year's conference champs convinced Coach Lemmen her team has a shot at this year's conference championship. That will be held this year on Saturday, February 24th in Rogers City.

The volleyball squads will play away contests this week, traveling to Petoskey on Wednesday and to Charlevoix on Thursday night.

In earlier weekly conference action on Monday against Gaylord, the varsity won its contest, 15-7, 15-6, 15-2 in what Coach Lemmen termed "an easy victory with all eight varsity players contributing to the win." The JV team went down to defeat to the Blue Devils, though, 15-12, 13-15, 15-5.

Road Commission Minutes

January 26, 1979

A regular meeting of the Crawford County Road Commission held in their office in Grayling, Chairman Richter presiding. Present were Chairman Ervin E. Richter, Commissioners Grover C. Cason and Gloria Kraus, Manager Charles Fox, Secretary Lorna Bernard. Absent: Ron Henke, Engineer.

The minutes of the last regular meeting were read. Gloria Kraus made a motion to accept the minutes with corrections, seconded by Grover Cason. All voted in favor, motion carried, minutes approved.

An application for a safety grant was reviewed by the Commissioners. The grant is for an inventory of traffic control devices within the County on the roads that the Road Commission deems necessary. The grant was signed by the Board.

The letter that Mr. Fox wrote to the D.N.R. about the Smith Bridge was read and approved by the Board. The letter will be sent to the D.N.R. explaining to them that the bridge is being evaluated by our engineer at this time.

The Board received the employee handbook that has been put together for approval. It will be reviewed and discussed at a later date for corrections and additions.

The chauffeurs license was again discussed, and the Board at this time felt that a notice should be posted on the bulletin board that since there is proposed legislation requiring all road commission employees to have a chauffeurs license, it is suggested that all employees consider purchasing a chauffeurs license when their present license expires.

Two permits were received from the General Telephone Company. One requesting to bury a telephone communications cable parallel to R/W by the Direct bury method at a min. depth of 30" beginning 3.5 miles North of N. Down River Rd. on Jones Lake Trail. The permit was to bore under S. Millikin Rd. at a min. depth of 40 inches to place a 12 pair copper conductor, jelly filled telephone communications cable approximately 500 feet North of the junction of N. Down River Rd. and S. Millikin Rd. The permits were reviewed and Grover Cason made a motion to accept the permits, seconded by Gloria Kraus. All voted in favor, permits signed.

Mr. John Small appeared before the Board with a preliminary plat of Wheel in Estates. After discussion, the Board told Mr. Small to go ahead with his plans with a change in the driveways where there will be a common driveway every two lots to make a minimum of eight driveways for the total plat. Mr. Small agreed to the change.

The Board broke for lunch and reconvened at 1:00 with Ernie Lucas, Jack Dew, Commissioners and John Lee, Engineer Manager of Oscoda County Road Commission, appearing before the Board. They discussed the use of and the maintenance of the Martindale Brine Well. Oscoda has agreed to half of the maintenance of the well expense and the feasibility of another tank to be erected as an overflow tank next to the existing one. Mr. Fox is to acquire some figures on how much another tank installed would cost and to submit it to the Oscoda Road Commission for approval. The Board also approved the repair of installing the staves in the existing tank, to be done next week.

The use of and the advantage of different sized tires was discussed by the Board. Some bids are to be submitted on the pricing of the tires in question at the next meeting for the Boards review.

A copy of a letter prepared by Congressman Bob Traxler regarding reallocation of V.M.F. Frequencies from Land to Maritime use was reviewed. It was decided that since this could affect the radio communications of the Crawford County Road Commission a letter should be sent to our representative expressing our concern about these proposed reallocations.

There being no further business, Gloria Kraus made a motion to adjourn, seconded by Grover Cason. All voted in favor, motion carried, meeting adjourned.

Ervin E. Richter, Chairman
Lorna Bernard, Secretary

Lovells Township Board Minutes

January 8, 1979

Board Members Present: Schabily, Spencer, Harwood, Walker and Stahl.

Also Present: Harrison Maltby, Darrell Behike, Sandy Behike, Dolores Haberland, Lois Brown, Maynard Brown, William Laurie. The regular meeting of the Lovells Township Board was called to order at 7 P.M. at the Township Hall by Supervisor Schabily. The minutes of the 12/12/78 meeting were read and approved as read. The treasurers report was given and accepted.

Correspondence included:
A letter from the Consumers Power Company regarding a hearing to be held in Lansing on January 8, 1979 to consider inclusion of a proposed purchased and net interchange power adjustment charge of negative 5.65 mills per kilowatt hour.

A letter from the Top O'Michigan Rural Electric Company regarding a hearing to be held on January 11, 1979 in Lansing to consider application of a purchased power adjustment charge of 5.0000 to be applied to the February and March 1979 billing months.

A grant scan from NEMCOG.

There will be a meeting for the Board of Review members and assessors at Auman's House of Catering on February 8, 1979 at 10 a.m. Motion by Stahl supported by Walker to send the three members of the Board of Review and two Assessors to the meeting on February 8, 1979 with the registration of \$5.00 per person to be paid by the Township. All voted aye. Motion carried.

The Treasurer is to check with the Grayling State Bank, the Credit Union, and the Savings and Loan Company to see where it would be most advantageous to deposit the township funds.

The last printing of the Wild and Scenic River study is available. Anyone wishing to borrow this copy may contact the Clerk or the Lovells Library.

The policy of the Township regarding the borrowing of township property was discussed. Anyone who does not abide by the township rules regarding this, will be denied this privilege in the future.

RESOLUTION:
Be it resolved, that the meetings of the Lovells Township Board, during the 1979 calendar year, shall be held on the second Tuesday of each month at 7 P.M., at the Township Hall. Regular meeting will be held on the following dates:

January 8, 1979 (date change complied with act)
February 12, 1979
March 13, 1979
April 10, 1979
May 8, 1979
June 12, 1979
July 12, 1979
July 10, 1979
August 14, 1979
September 11, 1979
October 9, 1979
November 13, 1979
December 11, 1979

This resolution adopted pursuant to Public Act 267 of 1976 at the meeting of the Lovells Township Board on January 8, 1979, by a vote of five to zero.

Schabily is to meet with the Crawford County Commissioners on January 24, 1979, pursuant to a CETA slot for a full time employee for Lovells Township.

A list of the current bills was read by Walker. Motion by Walker, second by Stahl, that we pay all current bills. All voted aye. Motion carried.

Motion by Harwood, supported by Walker, that the meeting be adjourned. Meeting adjourned at 8:40 P.M.

Middle School

Cagers Win

By Joe Schrader

Grayling Middle School cagers posted four more victories last week with both 7 grade squads and 8th grade squads upending Houghton Lake cagers Tues. night. Only one game was clearly decisive, though, with the 7th Grade "B" team romping to an easy, 23-6 win. Scott Zigala topped the Vike scoring with six points. In the "A" game, Grayling won a 2-pt. squeaker, 23-21 with Speich hitting double digits with 12 points.

Here at home, the 8th grade "B" team pulled out a 2-point win, 18-16 with Dan Cohoon hitting for seven points. In the "A" contest, the Vikes downed the Bobcats, 35-30. Jim Schrader had 10 points for Grayling.

Lugviel Attends State Police Lab School

Michigan State Police crime scene investigation expertise and capability has been strengthened by the specialized training of 17 officers from nine posts in the Traverse City district, three officers from three posts in the Jackson district, and a laboratory scientist, from Grayling, according to Colonel Gerald L. Hough, department director.

The 20 troopers and the laboratory scientist were graduated Friday afternoon, January 26, following a week and a half of the special training at the State Police academy southwest of Lansing. Command officers participating in the graduation ceremonies included Major Lloyd Brevard, commander of the uniform division, East Lansing headquarters, and Capt. John Cosgrove, commander of the Traverse City district.

The evidence technician school, which included mock scene investigation and other practical courses, had classes in sketching, searching and note-taking at crime scenes, photography, plaster casting, firearms, recognition, collection and preservation of evidence such as fingerprints, shoe prints, tire marks, tool marks, etc., autopsy procedures, forensic serology (blood, semen, fibers and hairs, etc.), and other chemistries.

Troopers attending and graduating from this area from the evidence technician school included Carl Lugviel, laboratory scientist, of Grayling. The laboratory in Crawford County became a State Police operation last fall.

License Plate Deadline Near

Unless they act now, motorists who delayed purchasing 1979 license plates in hopes a citizen petition drive would roll back higher fees could find themselves waiting in long lines as the deadline nears, according to Automobile Club of Michigan.

A Michigan Court of Appeals hearing on a challenge to the petition drive was delayed until March 6 but that is too late for owners of trucks, trailers and commercial vehicles, who must display the new black and white plates by March 1 or be ticketed by police.

However, if the Appeals Court upholds a rollback of license plate fees, motorists who already have purchased plates are guaranteed refunds under legislation approved late last year.

The deadline for displaying 1979 plates on passenger cars and motorcycles is April 3.

Auto Club Touring Manager Joseph Ratke said nearly 1.9 million motorists have purchased their plates but some 4 million still must buy them.

To purchase plates, Ratke said vehicle owners must present either the prepared renewal form mailed by the Department of State, the 1978 registration or the certificate of vehicle title plus proof of public liability and property damage insurance.

The mail order deadline for truck, trailer and commercial vehicle plates was February 1st, and it is March 1st for passenger vehicles and motorcycles.

REACHING TOWARD GOD

Copyright 1979 Keister Advertising Service
Strasburg, Virginia

People keep teaching their children to say their prayers at bedtime; but how many do it themselves?

Maybe sometimes they pray in the darkness, silently, so that no one will know. But why the secrecy? Because prayer is a very deep, personal kind of expres-

sion? Because we reveal ourselves through it? The truth is that more of us sense the reaching of our souls toward God than have yet openly admitted our religious need.

Why wait? In church you can pray alone or with others . . . in darkness or in light. But always in peace . . . reaching toward God.

Grayling Student at Alma College Selected for Band Honors

ALMA—Robert Harris of Grayling was one of 12 Alma College Kiltie Band musicians selected to participate in the 1979 Michigan Small Colleges Honors Band Concert given at Albion College on February 3.
The Honors Band, composed of 85 students from Alma, Albion, Adrian, Spring Arbor, Aquinas, Calvin, Olivet, Hope and Grand Valley State Colleges, was conducted by Pulitzer Prize-winning composer Karel Husa, a faculty member at Cornell University. The band performed four works. Two of them were compositions by Husa.
A senior at Alma, Robert plays the cornet in the Alma College Kiltie Band. He is the son of Mrs. Lottie R. Harris of Rt. 3, Grayling, Michigan and is a 1975 graduate of Grayling High School.
The Honors Band participants from Alma were selected on the recommendation of Kiltie Band director Todd Snyder.

Completes Navy School

Navy Opticalman Seaman Apprentice Hicky L. Lott, son of Douglas L. Lott of 105 W. Main, Gaylord, was graduated from Opticalman Repair School.

During the 17-week course at the Naval Training Center, Great Lakes, Ill., students received instruction on the maintenance and overhaul of navigational and weapons instruments. They studied machine shop practices such as use of hand tools, lathe and milling machine operation, plus optical theory. They were trained in the construction and repair of optical instruments such as binoculars, sextants, telescopes, gun sights, magnetic compasses and submarine periscopes.

He joined the Navy in July 1978.

KCC Seminar At Presto-Lite

A special supervisory/management seminar is now being presented by Kirtland Community College's Business Department in co-sponsorship with the Presto-Lite management.

There are twenty-one participants in this seminar, with the main objective being to provide up-to-date information in management. Also provided is a basic understanding of the principles of effective supervision, with emphasis on communications and personal aspects of the supervisor's job. This seminar is especially useful as an introduction to supervisory techniques and concepts for new or perspective supervisors.

Jerry Lewis, head of the Business Department at Kirtland, is one of the instructors. Richard Bowers, a part-time business instructor at KCC, is also instructing. Classes are held right at the plant.

A certificate of completion will be awarded to each participant upon completion of the seminar. Any firm or business interested in information about these types of special seminars may contact the Admissions Office at the College and speak with William Ingleson, Director of Student and Community Services. Frederic Library

The Frederic Community Library Board met at the home of Vi Middleton on February 1, with six members present.

We want to thank everyone that furnished baked goods for our bake sale. We made over \$100 for the building fund.

We made plans for a rummage sale on April 21. Start sorting out the things you don't want.

The next meeting will be on March 1 at the home of Eunice Barker.

Library News

January visitors to the Crawford County Library for Story Hours were three groups of 3 and 4 year olds from the Grayling Co-op Nursery School. Both Mrs. Allen's and Mrs. Cook's Cub Scout Dens visited the library to fulfill a requirement for a merit badge. After a tour and a brief explanation of the facility the groups enjoyed the filmstrip "Jack and the robbers".

A local girl scout troop spent sometime after school doing research on American dancers for a merit badge.

Book memorials have been: from Cornell's (Paul Thomson and Clyde Borchers) for Ralph Slusser "The Stars of Texas" by Leslie; for Bernard Conliffe "The Sixth Commandment" by Sanders; for Sally Joag "The lonely lady of San Clemente" by David; for E. Price Kimbrough "A walk across America" by Jenkins; for Albert Schreiber "Trapping and Hunting" by Clawson; for Harlan Shelly "Overload" by Hailey; for Else Anderson "The Storrington Papers" by Eden; for Harry Krumrei "Proteus" by West; for Kenneth Moore "The Praise Singer" by Renault.

In memory of Donovan Amstutz a group of his friends and neighbors donated "The Territory of Michigan" by Gilpin. Rud and Jeanne Joyce gave "The long ships, passing story of the Great Lakes" by Havighurst in memory of Albert Schreiber.

Of interest to our western readers would be the donation of seventeen Zane Grey novels from John and Mildred Sarkoz. Books from Lois Ford are "No bed or roses" by Fontaine. "Mommie dearest" by Crawford; Robert Kennedy and his times" by Schlesinger and "Times of my life" by Betty Ford.

The library will be closed for George Washington's birthday Monday, February 19th.

YOU ARE HEREBY NOTIFIED that a certain land contract bearing date September 28, 1973 by and between Harold M. Guedry and Cynthia M. Guedry parties of the first part, and Joseph G. Zacek and Lulubelle Zacek, husband and wife parties of the second part, is in default by reason of the non-payment of the installments of principal and interest and other sums, if any, due thereunder on the dates and in the amounts set out hereafter. The amount of unpaid land contract payments total 14 payments of \$30.00 each payable on the 4th day of month, purchaser being in default for a total of \$420.00 AND TAXES IN THE AMOUNT OF 113.78 AS OF FEBRUARY 28, 1978.

You are hereby notified that the said Harold M. Guedry elects to declare and does hereby declare said land contract forfeited, effective in 15 days after service of this notice; and you are hereby further notified that unless the money required to be paid is paid and any other alleged material breaches of the contract are cured, that you are to yield, surrender and deliver up possession of the premises in said land contract mentioned and of which you are now in possession under and by virtue of the terms thereof.

YOU ARE FURTHER NOTIFIED that from and after the service of this Notice, you will be liable for damages which the undersigned may suffer by reason of your continued possession of said premises in accordance with Act 166 of the 1943 Public Acts of the State of Michigan.

Said premises are described in said land contract as follows, viz: The SW 1/4 of the NE 1/4 of the SE 1/4 of Section 34, T26N, R3W, having the dimensions as shown by the recorded survey thereof and embracing 10.02 acres. Also being known as Parcel "O", in the Township of Maple Forest, County of Crawford and State of Michigan.

OBITUARIES

Kenneth Moore, 61 Dies Suddenly

Kenneth Moore, 61, of Grayling died Tuesday, February 6, 1979. Funeral services were held on Friday, February 9, 1979 at 3:30 p.m. at Sorenson Funeral Home, with Rev. Robert Haskel officiating. Military rites were under the auspices of the American Legion Post 105, 1071st Maintenance and 1438th Engineer Units of the Michigan National Guard. Interment was in Elmwood Cemetery.
Mr. Moore was born December 31, 1917 in Chestonia, Michigan, he had been a resident of Grayling for thirty years. Ken had been a member and Past Commander of the American Legion Post 106, 4048 Volture 692 Chef-de-Gare, a life member of the Destroyer Escort Sailors Association. He had been employed by Bear Archery.
Survivors include his wife, Goldie, a brother, Cecil Moore of Arcadia, Florida; and two sisters, Odella Coogan of Grand Rapids and Nedra Cupps of Onondaga.

Former Resident Dies in Bay City

Harry C. Krummel of Tawas City and formerly of Grayling passed away Tuesday, February 13, 1979, at the Bay Medical Care Facility in Bay City at the age of 66.
He was born in Ann Arbor March 8, 1912. Mr. Krummel was a former Ann Arbor millman. Following his service there, he moved to Whittemore and operated the Whittemore Hotel. From there he moved to Grayling, and began the Krummel Distributing Co. He moved to Tawas City 17 years ago, when he expanded the operations of the distributing company there. At the time of his death he was operating the facilities in Tawas and Grayling.
He was a member of Grayling Masonic Lodge #355, a member of the Elf Khurafah Shrine Temple in Saginaw, a charter member of the Fraternal Order of Elks in Houghton Lake, and a member of the Royal Order of Moose in Ann Arbor for 48 years.
Surviving are his wife Genevieve, 1 daughter, Mrs. Susanna Greenwood of Chelsea; 1 grandson Thomas Johnston; 1 great-grandchild; and 4 step-grandchildren.
Funeral services were held Friday, February 9, at 2:00 p.m. from the Jacques & Kobs West Chapel in Tawas City with Rev. William A. Graf officiating. The remains were taken to the Oakwood Mausoleum in Saginaw. A Masonic Memorial Service was held Thursday evening at 8:00 P.M. at the funeral home.
The family requests that any memorials be directed to the Bay Medical Care Facility in Bay City.
